

COLLECTION AND DISPOSAL
OF
LEAVES, TREE TRIMMING & BRUSH
(STANDARD OPERATING PROCEDURE)

LEAVES

Collection:

Oct. 1st - Dec. 31st

The Borough of Danville will collection leaves on Monday, Wednesday and Friday mornings. Leaves will be machine (vacuum) collected at curbside only.

Jan. 1st - September 30th

Bagged leaves or containers which can be dumped will be collected the first Monday of each month. Residents will be encouraged to call in advance for pick up, but not necessary.

Any leaves mixed with garden waste, sticks, grass, flowers, etc. will be refused.

Disposal:

Leaves will either be spread on farm fields or composted at the Borough Farm, both of which are acceptable methods of disposal. The Borough Street Superintendent will determine which and when each method will be used.

BRUSH & TREE TRIMMINGS

Collection:

All brush and tree trimmings will be collected at the curb on the first Monday of each month. All brush must be curbside. Butt end must be facing the curb. The Borough will not and cannot collect branches greater than 4 inches in diameter. If piles are mixed, they will not be picked up.

Disposal:

Mulching will be scheduled at the discretion of the Street Superintendent. The finished product will be used at the Borough's recreation sites, composed, or distributed to the general public; again at the discretion of the Street Superintendent.

CHRISTMAS TREES

Collection:

Christmas trees will be collected at the curb on the first and second

Fridays following January 1, of each year; or they may be dropped-off at a predetermined central location(s). The Street Superintendent will announce the drop-off location(s).

Disposal:

Christmas trees will either be mulched or distributed for wildlife cover. Either method is acceptable and will be at the discretion of the Street Superintendent.
