

DANVILLE MUNICIPAL AUTHORITY – JOINT WATER AND SEWER MEETING
AGENDA
MAY 16, 2022

PLEASE TURN ALL CELL PHONES OFF – THANK YOU!

Public Comment

Approve minutes from April 18, 2022 meeting.

WATER:

1. Review Water Superintendent's report – page 1 of packet
2. Review financial report; Reimburse Borough \$240,598.56 for April 30, 2022 pages 2-7 of packet
3. Review report from the Danville Borough manager – water portion – page 8-14 of packet.

SEWER:

1. Review financial report: Reimburse Borough \$271,114.08 for April 30, 2022 – pages 15-21 of packet.
2. Review sewer superintendent's report page 22 of packet.
3. Review report from the Danville Borough Manager – page 8

Engineer's Report – Tia Trate – Pages 24-25

Other Business

1. Valley Township – payment status, attached – page 23
2. Meeting with VTMA
3. Water & Sewer rate study
4. Receipt of Annual Audit and DCED report for 12/31/21

Adjournment

WATER DEPARTMENT REPORT APRIL 2022

PLANT FLOW

• Total:		33,971,966 gal.
• Average:		1,132,399 gal.
• Maximum:	April 5 th	1,471,994 gal.
• Minimum:	April 17 th	613,206 gal.

WATER LEAKS:

- 4.18.22 Spruce and Ferry St.: Repaired the 2" water main hit during storm drain work by contractor

OTHER

- April water quality has been maintained at better than average.
- Lagoon cleaning was accomplished for the year
- A water leak was discovered in the single 6" main that supplies fresh water to the intake building. The hydrant at the end of that main was leaking at the bottom. Another location closer to the plant is leaking as well. The biggest leak is fixed and provisions to eliminate the other are being contemplated. With the line going under the levy, a stream and 18 plus feet of backfill, an alternate feed source seems to be the most logical solution. Updates to this issue and upcoming project will be provided as things progress. All work for this will be completed in house.
- Multiple meter pits have been installed with many more prepped for install. Work on this is taking priority with 811 lawful start dates and emergencies interrupting periodically.
- Spring hydrant flushing will be accomplished during the next month.
- DEP was contacted regarding Withdrawal Permitting. Valerie Elsasser, Danville's DEP Sanitarian, and DEP North Central Regional Office Environmental Engineer, Anna Barrick both agree that the permit is not contingent on meter completion. A "special condition" could be added to the new permit mentioning meter install finishing.

Report from the Danville Borough Manager
Municipal Authority Meeting
Monday, May 16th, 2022

Water

- Management Agreement between the Authority & the Borough, attached.
- DEP water withdrawal permit renewal – see Brad’s report and scope of work proposal from the Gannett Fleming, to be provided at the meeting

Sewer

- Update on Riverside’s testing
- Spec for automatic fence entrance – see Jane’s report

Other

- Valley Township – payment status, attached.
- Meeting with VTMA
- Water & Sewer rate study
- Receipt of Annual Audit and DCED report for 12/31/21

AGREEMENT

THIS AGREEMENT, dated this 10th day of July, 1990, between the BOROUGH OF DANVILLE, Montour County, Pennsylvania (the "Borough"), and the DANVILLE MUNICIPAL AUTHORITY (the "Authority").

WITNESSETH:

WHEREAS, the Authority owns a water supply and distribution system serving the Borough, which water system hereinafter is referred to as the "Water System"; and,

WHEREAS, in order to finance the costs and expenses of certain additions, alterations and improvements to the Water System, and to satisfy the obligations of the Authority pursuant to Water Revenue Bond - Series of 1977, dated April 13, 1977, the Authority has issued certain Water Revenue Bonds - Series of 1988 dated July 1, 1988 (the "Indenture"), pursuant to Resolution of July 5, 1988 (the "Resolution"); and,

WHEREAS, pursuant to a Resolution of July 9, 1990, the Authority has authorized the employment of the Borough to manage or operate the Water System on behalf of the Authority and to perform other functions of the Authority with respect to the Water System and to delegate to the Borough such duties of the Authority as it shall deem advisable and as it lawfully may delegate; and,

WHEREAS, the Authority and the Borough have decided that the Borough should undertake management and operation of the Water System to the extent that the duties of the Authority may be delegated to the Borough; and,

WHEREAS, the parties hereto wish to set forth the terms upon which the Borough shall manage and operate the Water System.

NOW, THEREFORE, THIS AGREEMENT WITNESSETH, That for and in consideration of the sum of One Dollar (\$1.00) and other good and valuable consideration paid to each of the parties by the other, the receipt whereof is hereby acknowledged by each party, and of the mutual covenants and agreements hereinafter contained, the parties hereto, intending to be legally bound hereby, do covenant and agree as follows:

1. The Authority engages the Borough to be manager and operator of the Water System for the term of this Agreement and the Borough agrees to manage and operate the Water System on the terms and conditions hereinafter set forth.

2. The Borough shall manage and operate the Water System at all times in compliance with the terms of the July 5, 1988 Resolution and the Indenture of July 1, 1988.

3. In its capacity as manager and operator, and subject at all times to supervision by the Authority in the exercise and discharge of its duties under the law and under the Resolution, the Borough shall render to the Authority the following services during the term hereof:

A. Maintain the Water System in good repair and operating condition.

B. Continuously operate the Water System.

C. Make all necessary and proper repairs, renewals, replacements and improvements thereto in order to maintain adequate service.

D. The Borough shall provide for the continued efficient operation and maintenance of the Water System and for the furnishing of adequate and satisfactory water service to consumers.

E. The Borough shall employ such persons as are required to properly operate and maintain the Water System.

F. The Borough shall provide and supply the necessary services, materials, supplies and equipment for the operation and maintenance of the Water System.

G. The Borough shall keep and maintain all books, accounts and records required in connection with the operation of the Water System in accordance with applicable provisions of the Resolution.

H. The Borough shall maintain adequate insurance against fire and such other risks as are usually and generally included in extended coverage endorsements and any other proper insurance, all as required by the Resolution, and shall report on the extent of such insurance coverage to the Authority in each year in order that the Authority, in turn, may comply with the Resolution.

I. The Borough shall bill and collect for water service and shall handle all matters arising from such billing and collecting.

J. The Borough shall keep the Authority informed of the amount of collections made and, if necessary, shall advise the Authority of the necessity of any change in rates and

shall cooperate with the Authority in adopting any such new rates.

K. The Authority shall provide for performance of all services, the expense of which can properly be paid from the Revenue Fund established in the Resolution and the Indenture.

L. In general, the Borough shall render all reasonable assistance to the Authority in order to enable the Authority to perform and fulfill its obligations under the Resolution, to secure efficient and economical administration and operation of the Water System, and to assure adequate and efficient water service at the lowest possible rates and charges to consumers.

4. The Borough shall deposit all Water Revenues, as defined in the Resolution, in the Revenue Fund established under the Resolution, as required by the Resolution. Proper officers or employees of the Borough shall be authorized to submit requisitions to the Board of the Authority which shall make payment on said requisitions of costs properly chargeable to the Revenue Fund; said requisitions may be either for specific stated charges or may cover estimated expenses over a reasonable period of time, in which latter case the Borough shall account to the Authority for the expenditures actually made.

5. The Borough agrees to cause all officers and employees of the Borough handling funds relating to the Water System to be bonded at all times in adequate amounts by a responsible surety company or surety companies duly qualified to do business in the Commonwealth of Pennsylvania and satisfactory to the Authority.

6. The books, records and accounts of the Borough, as manager, shall be open for inspection by the Authority or its authorized agents at any reasonable time.

7. The Borough shall charge no fee or commission for the management and operation of the Water System; provided, however, that all proper expenses incurred in such management and operation shall be paid, as provided herein, from the Revenue Fund.

8. The Authority agrees to employ a consulting engineer who shall be acceptable to the Borough and who shall act as consulting engineer to the Borough in all matters relating to operation of the Water System.

9. This Agreement shall continue in effect for the term of five (5) years, and from year to year thereafter, unless either party shall give written notice of its desire to terminate the Agreement at the expiration of any term thereof, such notice to be given at least sixty (60) days before the effective date of termination.

10. This Agreement shall be construed by the parties in conformity with the following express agreement of the parties hereto:

a. The Authority and the Borough desire to have the Borough undertake the management and operation of the Water System so far as permissible under the terms of the Resolution and any applicable law.

b. The Authority shall not be relieved of its ultimate responsibility for obligations imposed on the Authority by the Resolution. The Authority agrees that it will adjust

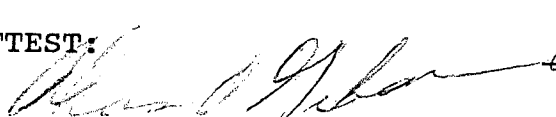

water rates, rents and charges to meet all of its obligations under the Resolution, and in particular, to pay the reasonable operating costs of the Water System under the management and operation of the Borough.

c. The provisions of this Agreement shall be subordinate to the provisions of the Resolution in all respects.

IN WITNESS WHEREOF, the Borough of Danville, Montour County, Pennsylvania, has caused this Agreement to be executed in its name and in its behalf by its Mayor and the President or Vice President of its council and its corporate seal to be affixed hereunto and attested by its Secretary or Assistant Secretary and the Danville Municipal Authority has caused this Agreement to be executed in its name and in its behalf by its Chairman or Vice Chairman and its corporate seal to be affixed hereunto and attested by its Secretary or Assistant Secretary.

SEWER AUTHORITY REPORT
MAY 2022

PLANT:

- Adequate staffing remains a concern with new hire Finn out for the foreseeable future
- Nutrient numbers have improved dramatically
- Cleaned Cl2 contact tanks
- Removed algae from tanks
- New polymer used for belt press increased productivity and output
- WETT testing scheduled for summer
- DEP compliance inspection conducted ...no violation or concerns from the department
- Multiple weather extremes caused power outages this month
- New quotes for automatic gate with uniform bid requirement sent out
- Biosolids applied...DEP contacted all postings, coning, and agronomic worksheets completed

COLLECTIONS:

- Weekly jetting
- Root removal
- Met with Cole's Hardware regarding lateral issues
- Sechler Run was grey and smelled of sewage. Tracked the flow from slue spreading in Cooper Twp. DEP was alerted on 5-6
- Fisher Court. Tyler Mechanical was contracted to remove the fuel tank at Fisher Court for the upcoming project. Digging began 4-29, Tyler Mechanical struck PPL power lines and ripped wires from our meter. This left emergency repairs up to the sewer dept and an outside contractor....Fisher Court pump station was on generator power for 1 week. Though this was covered by a PPL claim that is being processed it was very impactful to the daily operation of the facility.
- Sewer repair Montour Street and Sewer repair Spruce Street
- Daily PA 1 calls
- Weekly vac at water plant
- Changed sampling dates for Riverside to coincide with their sampling schedule

Valley Township Delinquent Water & Sewer Bills

April 2020 - requested COVID-19 relief from Authority for water bills

Waived late fees

August 2020 - account became current

January 2021 - requested extension on November's sewer bill due 1/5/21

Waived late fees

Continued to make late payments on both water and sewer accounts since request in January

Lettered 10/2021 - DMA is charging penalties as of 1/2022

1/10/2022 applied penalties & credited off due to extension request

Engineer's Report

Report Period: April 2022

Client Name: Danville Municipal Authority

Report Prepared By: Tia M. Trate

Wastewater Treatment Plant Dewatering Project

- Digester Pump design kicked off and in progress.

Fisher Court Pump Station and Franklin Street Sewer Extension Project

- 90% Design on hold awaiting results of tank pull to determine if further action is needed. Tank pull was completed, awaiting final testing results from Contractor.

Act 537 Plan and UER

- GF is finalizing cost estimate to include digester pump improvements. Resolutions signed before the end of the comment period will need to be resigned following distribution of the revised study.

Rate Study

- Communication with Borough Staff is ongoing, a draft was provided for review by Borough Staff and we are addressing comments.

Sewer/Wastewater Annual Services

- Alton Developer Project review was completed.
- New review for Farmhouse at Woodbine, additional information was requested.
- Annual Inspection scheduled for June 14, 2022.

Water Annual Services

- Alton Developer Project review was completed.
- New review for Farmhouse at Woodbine, additional information was requested.
- Annual Plant Inspection completed May 3, 2022.
- Water Allocation Permit Renewal.
