[#riskmanagement](#) Flooding 101 Webinar

Have you experienced flooding of your home, community, or business? Are you interested in learning more about reducing your flood risk? As part of this year's Flood Awareness Week events, the Pennsylvania Silver Jackets Team is providing a crash course in flood risk management and preparedness. In this one-hour webinar, we will cover the different types of flooding, flood safety practices, tools to understand flood risk, mitigation actions you can take, and more!

The webinar will be held Tuesday March 22 from 12:00 – 1:00 pm. This webinar will be appropriate for all audiences but targeted towards the public. To register for this event, please visit <https://lnkd.in/etts5VQR>. Registration will be limited to the first 1000 participants. Recordings of this live session will be available to view online at: <https://lnkd.in/ezbP73hy>.
