RE: Reappointment to Danville Municipal Authority

Mr. President,

I am writing to ask you to consider my reappointment to the Danville Municipal Authority. During my time on the Authority, I have voted for two balanced budgets without rate increases. We have now metered every water rate payer in Danville and have made billing fair and equitable for both residential and commercial customers.

Danville Municipal Authority will assume responsibility for Valley Twp. system on Jan. 1, 2024. The purchase of the Valley Twp. System will occur sometime in the near future. I have a degree in accounting and over 40 years experience in running successful businesses. Danville needs someone with my background on the Authority to ensure that this acquisition goes smoothly, and the resulting additional responsibilities are absorbed by our current staff using equipment we already have, with no effect on the current rate payers of Danville – ever.

I look forward to serving if you choose to reappoint me.

Thank you,
