

# DUMPSTER DAY 2024!

Your neighborhood  
**Dumpster  
Day**

Dumpster Day is set for **Saturday, April 20th, from 7 a.m. to 1 p.m.** at the soccer field complex along East Market Street near the water plant. There's no charge for any items, but there is a limit of two loads per household and up to six tires. Some items will not be accepted: TVs, computers, yard waste, fences, cement, paint or any fuels. **Borough Residents ONLY and you must provide ID. Donations are accepted and appreciated!**

They say that a dumpster day keeps the code officer away, so let's make the most use out of the opportunity and get rid of those unwanted and unusable items lying around.
